

## MSA EYE PROTECTION

MSA offers a wide range of Eye Protectors & Soft frame Goggles to effectively fit most facial contours. Large, one-piece, .060-inch-thick polycarbonate lens provides wide, undistorted field of vision. Optional Anti-Fog Coated Lenses are available for work involving high humidity, temperature changes or greater worker exertion. The scratch-resistant coating is unaffected by most regularly used industrial chemicals.

Industrial Protective Eyewear is designed for protection against impact hazards and/or flying particles, dust, sparks, and glares. Industrial Protective Eyewear provides excellent side- and front-impact protection while still being comfortable to wear. All MSA Eye protectors conform / approved to applicable requirements of EN166 & ANSI Z87.1-2003.

Part Number	Description
1000700	FL 250 HC Clear Frame Clear Lens
1000701	1900-HC Clear Frame, Clear HC Lens
